2. China: Li Peng Visit for UNSC Summit. Chinese Premier Li Peng's visit to New York on January 31 for the British-sponsored UNSC summit marks in Chinese eyes a further sign that their diplomatic rehabilitation is proceeding apace two and a half years after Tiananmen. Li may stay over in New York on February 1 for bilateral sessions the Chinese are trying to arrange with you and the leaders of Russia, Japan and India. Folded into his previously-scheduled trip to Europe (Switzerland, Italy, Portugal, Spain and possibly Malta), the
